HOME VISITS

Home Visit to assist families in understanding the Needs of the client and present options for placement or appropriate services needed to keep the applicant at home.

Flat rate
\$160 for
initial visit

Visit includes:

- Assessment for placement, type, and alternatives
- Complete cognitive, functional assessment & needs assessment
- Immediate recommendations for next steps

Mileage may be requested if assessment is out of The Greater Toronto Area.

\$0.75

Applicants and their families can engage the Services of LRS Consulting on an ongoing basis to assist with locating resources for them, and will also research long term care and retirement homes. I will attend visits with the family and applicant if requested in order to identify the positive and negative aspects of each facility.

\$75.00/hr

All members of Senior Lifestyle Magazine will receive a 10% discount on all hourly rate services
